Reflections of '77

As we reflect into the past years, we see the many smiles of the times we enjoyed, and yet realize the great number more all of us could have shared.

Like being able to follow a reflection in a looking glass we as seniors can reflect and follow ourselves from our earliest years. In a world whose circle goes undone, we find ourselves revolving in endless directions. Each one giving us more pain, joys, morals, and knowledge.

Life moved too fast though, even from the

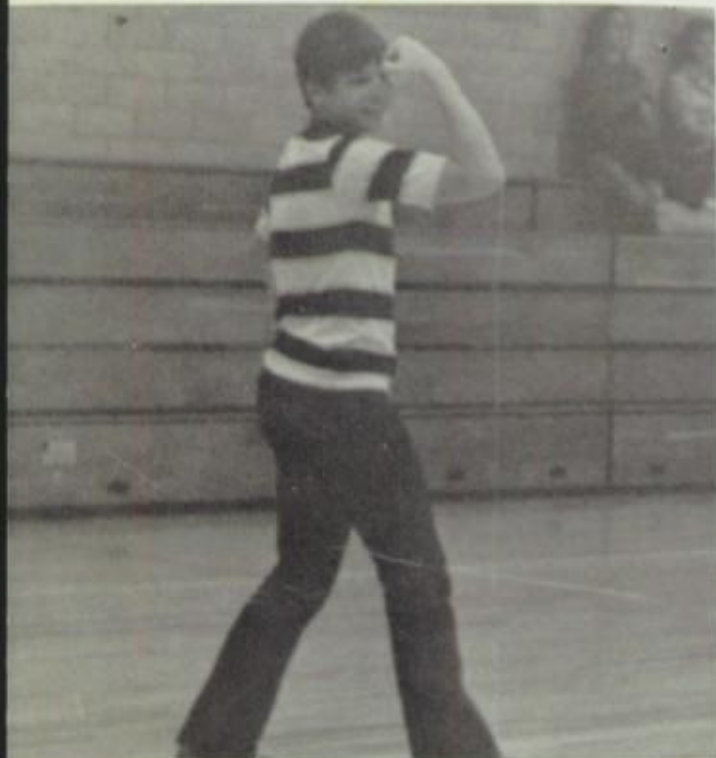

very start. From Mother's apron to elementary school, searching for a new security to pull us through the day. Then on to Jr. High where participation in sports and opportunities for displaying talents were finally coming before our eyes. Planning our schedules for our Freshman year and then suddenly jumping into what seemed to us a dream world, High School.

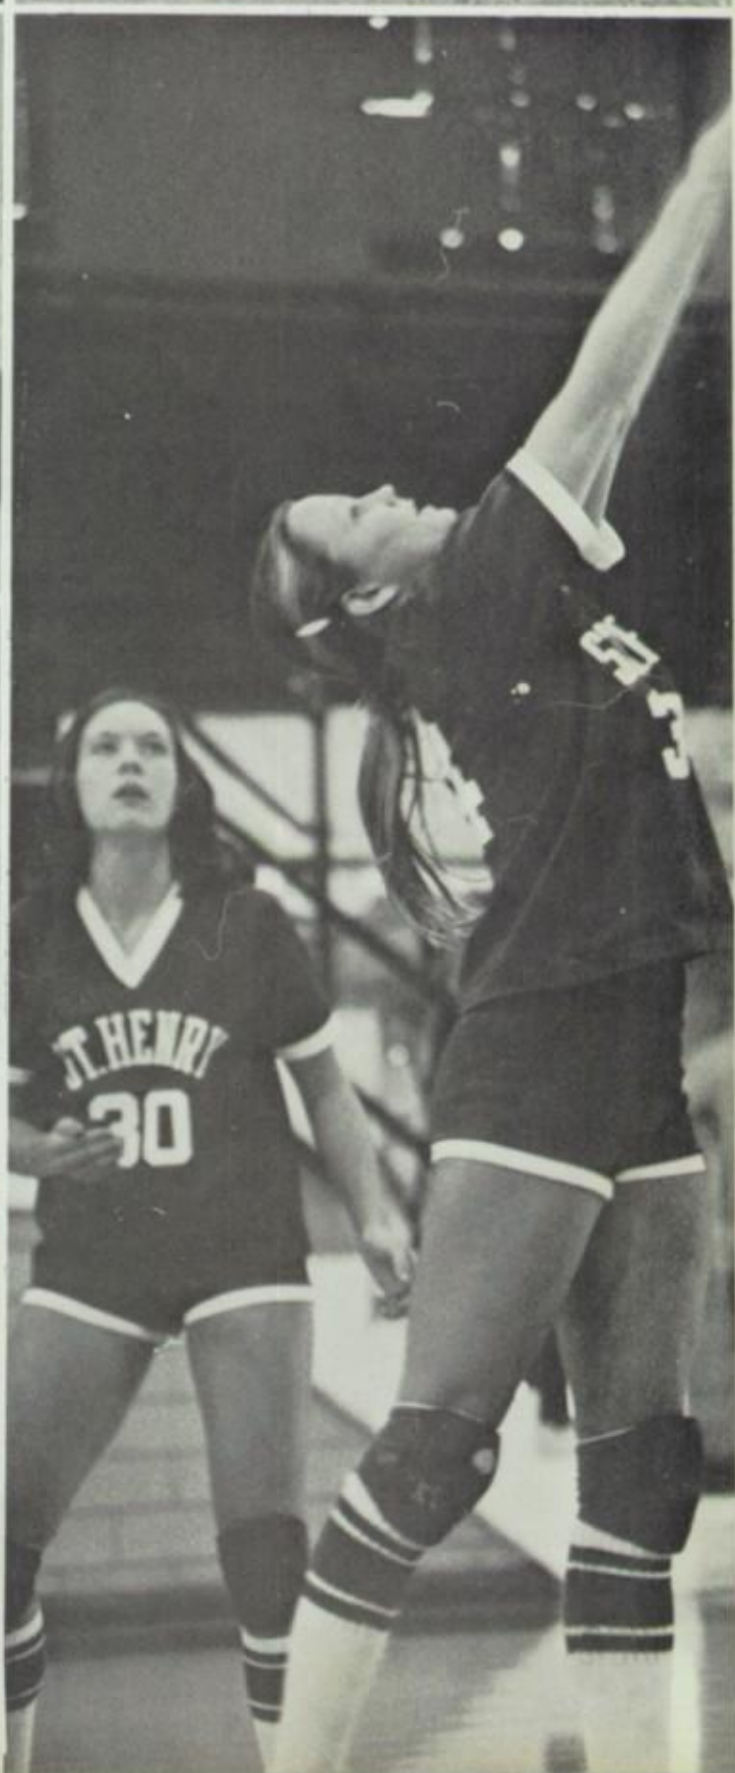

Little did we know of the one way streets and dead-end roads one could encounter along the way. Hours

of study, practice, and sweat, with no knowledge of what the outcome would be. Achievement? Failure? Regardless, each and every step resulted in some form of victory for all.

So, here we are at the top of the rope after climbing a height that seemed eternal. As graduates, unaware of what the future holds, our minds are scrambled with thoughts of hope and fear. Like leaving a fantasy world and leaping into never never land.

Can you imagine walking down a hallway and not seeing a familiar face you can even say "hi" to? You'll never experience this feeling in the halls of S. H. H. S. St. Henry is a school where everyone possesses their own talents and dynamic personality.

Everyone is in some way involved with everyone through their participation in Athletics, Clubs, and classes, and other student organizations. This togetherness isn't only present during school hours, but continues during the weekend and free time.

These faces will long be remembered after the echoes of these familiar voices have diminished in the halls.

The Juniors sound out their battle cry when Senior Al Lefeld finally figures out he's sitting in the wrong section!!

Assemblies=

The Leaning Tower of Pisa? No, it's Jane and Pat adding a stunt to finish off another cheer for the student body.

Mr. Larry Thompson introduces Officer Waldron to the student body. Officer Waldron presented a film to the students and answered any questions directed to him from the student body.

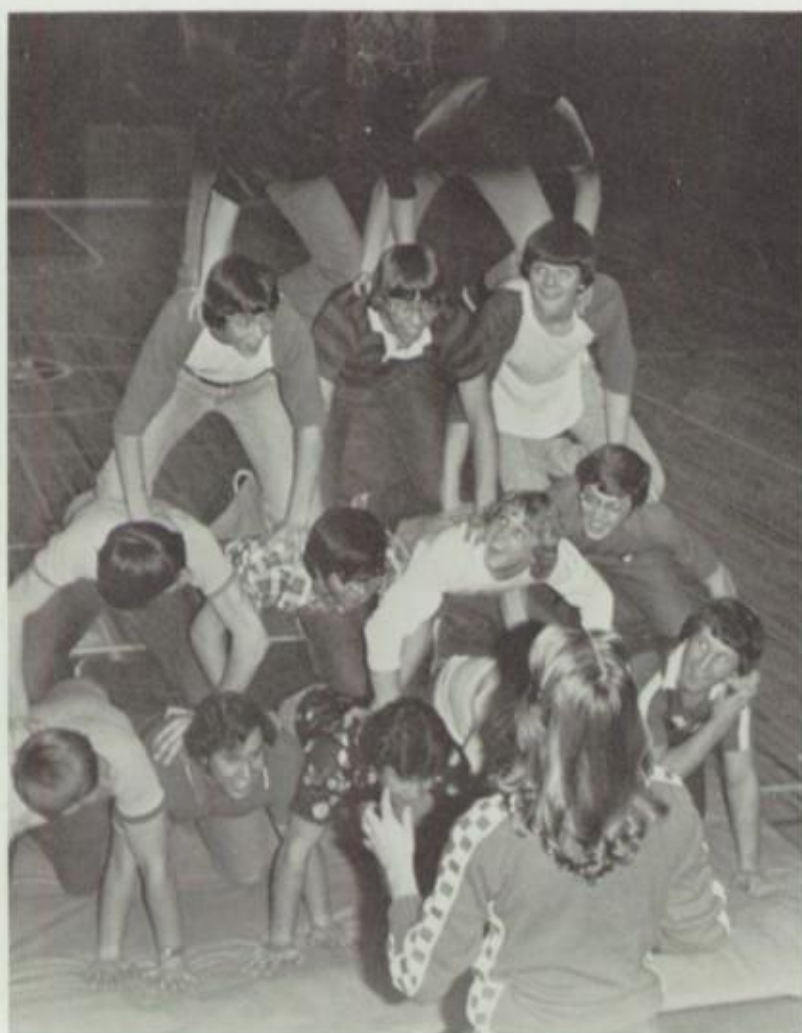

The Sophomore class adds their voice to the matter as teacher Mr. Hoyng turns to see where the noise is coming from.

Pep, Education, Tumbling? ? ?

Did anybody find that contact yet?? Actually this is what's left over from a stable? pyramid.

Junior Varsity cheerleaders Lynn Speck, Sue Hoying, Jacqui Romer, get the Sophomore grade going during one of the pep sessions.

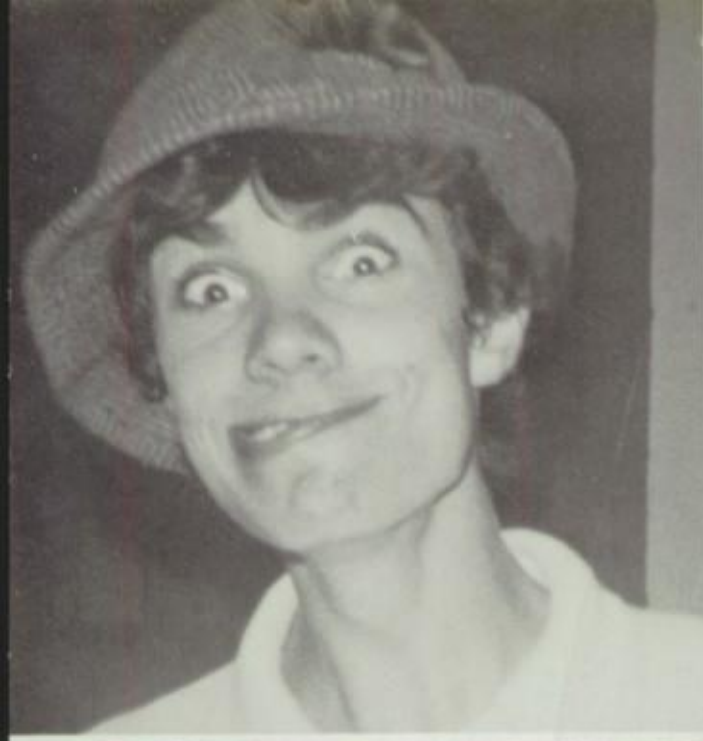

Well, the camera captured 1/2 of the pyramid!! Pat Hoying's on top sinking a basket for the Redskins! The "hogs" make up the base of the pyramid as the rest of the guys hold on for life.

Officer Waldron visited St. Henry High and presented a film on vehicle accidents. The film was very shocking and educated the students on safer driving habits.

The things John Brophy will do for attention!

Why's everybody always pickin' on me?

Scholastically and academically, S. H. H. S. has to be considered one of the finest in the area. We have one of the best curriculums and widest choice of subjects. Our school offers a wide range of athletics for both boys and girls, and we are always considered a tough competitor. The students aren't completely responsible for our success though; much of the credit is due to our Head Honchos."

We sometimes fail to acknowledge the people who really are responsible: the Superintendent, the principals, and the faculty. They are the ones who work the long, hard hours to make our school successful.

We do appreciate their hard work for our benefit and hope they can do such a fine job every year.

And the Paperwork Keeps Coming. . .

Probably one of the most overlooked employees at S.H.H.S. is Mrs. Lucille Bertke. Mrs. Bertke is no doubt the most well-liked secretary ever employed at St. Henry. Her job is never ending, ranging from account balances to selling lunch tickets. When she's not catering to a student's needs, you probably can find her doing secretarial work or answering the telephone.

Mrs. Donna Woeste is receptionist for the central school office. Donna also helps out the students from the Jr. High and High School in getting supplies and providing information. Donna's duties also include secretary to the Superintendent, secretarial work, lunch money, monthly cafeteria reports and all the ordering for the school.

Mrs. Stammen is secretary for the Burkettville Schools. Some of her tasks include cafeteria tickets, secretarial work, and telephone messages. Much of her work evolves around the needs of the students. Mrs. Stammen also does accounts and book-keeping.

Mrs. Rita E. Feltz shares the load of keeping the school running smoothly. A few of Mrs. Feltz's duties include keeping all of the financial records, and preparation of the payroll. Mrs. Feltz also serves as clerk and secretary to the Board of Education.

The excitement and anticipation of our first prom; the mixture of joy and sadness upon receiving our diploma, all of these are elements of specialties at S. H. H. S. Week after week of school would become very boring if there were no Homecoming or Mardi Gras.

Preparing for these "Special Events" is half of the fun. The hard work begins months in advance with committees being set up, selecting caps and gowns, choosing themes or planning decorations.

The final product is a night of music, crepe paper, flowers, and formal dress. These are the times we will remember of our high school days with a smile and a happy memory.

Colour My World S-a-t-u-r-d-a-y Night

Doesn't it look as if Bev is telling Rick where he's to be? Keep him in line, Bev!

The teachers look like they are enjoying a great evening.

The three Senior Tri-Captains of the '76 football team are giving Coach Gordon Shivley a gift.

"Sam" grooves away to the music provided by the rock group, NOBODY.

The Homecoming weekend was full of excitement and preparations for everyone. The football game the night before, the parade, decorating of floats and finally the dance to just plain "go nuts." The dances seem to be getting better and better each year. We can truthfully say the parade was a tremendous success with more floats and a little more sparkle. Thanks to the Student Council.

A very fine band, NOBODY, provided the entertainment for everyone who attended the Homecoming Dance.

Jerry and Kate appear well equipped for something. Actually the couple is preparing to crown the King and Queen of Mardi Gras '77.

Newly crowned Queen Nancy Bruns and King Jim Fullenkamp smile for the cameras.

It seems like everyone 's having fun!?! A gang of Sophomores, Juniors, and Seniors get better acquainted during Mardi Gras.

Wanda is stunned by something! Maybe hearing her name as Sophomore Attendant did it.

Magic Moment at Mardis Gras

Kevin Poling is caught by the camera showing his superhuman strength as Rick Werling looks on in awe.

Well, they sure aren't the June Taylor dancers! The Seniors attempt to give the Freshmen first-hand lessons on how to "get crazy"...

The industrious Senior class held the school's first Mardi Gras dance on February 5, 1977. The turnout for the dance was excellent with music provided by the New Horizons. The gym was decorated by the Seniors Friday and Saturday with Mr. Niekamp contributing a lot of time and effort.

Around 10:00 the Mardi Gras Court was announced by Shirley Post, Bev Siefiring, Mary Borger, and John Hess. Kate Kleinhenz crowned the King Jim Fullenkamp, and Jerry Kremer crowned the Queen Nancy Bruns.

The Seniors enjoyed sponsoring the Mardi Gras dance and would like to thank the chaperones and all who helped make it a success.

Back Row: Kathy Bruns, Bruce Miller (Freshman Attendants); Jane Schwieterman, Marv Bruns, Pat Hoving, Ron Dorsten, Kate Kleinhenz, Jerry Kremer (Senior Attendants); Wanda Schoen, Jim Niekamp (Sophomore Attendants); Judy Bruggerman, Ken (Juice) Post (Junior Attendants).

Many Precious Moments

Each year the Junior class prepares for the Junior-Senior Prom. It takes much time and effort to make the Prom a memorable occasion for the Senior class.

The King and Queen and their court are voted on each year by the Junior class. Junior officers, Donna Hoying, and Kevin Schmitz crowned the King Jim Fullenkamp and the Queen Linda Kleinhenz and announced the court members, Buck Stahl, Kate Kleinhenz, Mark Stammen, Pat Hoying, Marv Bruns, Jane Schwieterman, Jerry Kremer, and Nancy Bruns.

King: Jim Fullenkamp; Queen: Linda Kleinhenz. Court: Jerry Kremer, Nancy Bruns, Marv Bruns, Jane Schwieterman, Mark Stammen, Pat Hoying, Buck Stahl, Kate Kleinhenz.

Precious and Few Are the

The theme of the 1977 Junior-Senior Prom was "Precious Moments." This served as a very appropriate theme for a long remembered night. The dance floor was beautifully decorated in maroon and pink, the Senior class colors.

An important part of the evening is eating the delicious food served at the Banquet. Sue Hoying and Ron Dorsten anxiously await the meal with famished looks upon their faces.

After the King and Queen were announced, the ceremonial royal kiss is shared by Queen Linda Kleinhenz and King Jim Fullenkamp.

When one thinks of his last Senior Prom, he has nothing but fond thoughts of the fine times that he or she were able to share with the people they have spent so many years with. Prom '77 was no different. Good food and lots of fun were the top orders of the evening, as all seemed to have a great time!

The officers of the Junior class have many responsibilities that they must undertake during the preparation of Prom. Kevin Schmitz and Donna Hoying are shown announcing the 1977 Prom Court.

Moments We Two Can Share

TWO MALES WANTED: Cheryl Brackman and Deb Hartings appear to be having a good time hiding behind some of the scenery at Prom. Maybe they are just trying to locate two males that will fit their description. Is it the same ones they started the evening with?

As Prom comes to an end, the night is only beginning for many. The feelings from Prom carry over into the wee hours of the morning. The After Prom at the Legion Hall provided entertainment for many, and as time went on breakfast was served at numerous residents. The whole affair is capped by what many consider the most romantic sight created; watching the sun rise through the early morning mist.

Sandy Gerlach anxiously awaits the announcing of the King and Queen.

Lori and Brenda Langenkamp and Kathy Buschor sure look gorgeous as they pose for photographer Barry Weber.

One of the major parts of the evening was the beautiful dance. Shown here is one of many "precious moments" that the students shared with each other.

77's Top Grads

The top-ranked students in the St. Henry High School class of 1977 were announced at the 72nd commencement exercises on May 29th, 1977. Academic rank was determined only after all records for the four-year high school program were completed.

Valedictorian for this year's graduating seniors with a cumulative grade index of 3.988 was Kathy Abels. Very close behind were co-salutatorians Karen Lange and Bev Schoen, tied at 3.986 out of a possible 4.0 index.

Miss Abels, daughter of Mrs. Delores Abels and the late Elmer Abels of St. Henry, was a member of the National Honor Society, and Scholarship team. She was a four-year member of the G. A. A. and concert and marching bands. In her senior year Miss Abels was awarded both the John Philip Sousa Award and the Marine Corps Distinguished Bandsman Award. She was Secretary-Treasurer for the Yearbook and a Varsity Volleyball member. Kathy is enrolled at Ohio

State University where she plans to major in physical therapy.

Miss Lange is the daughter of Mr. and Mrs. Virgil Lange. She was a member of both G. A. A. and the Future Homemakers of America. Also Karen was a member of the National Honor Society and served as Secretary. As an active member of I. O. E. she received an Ambassador Award and was a voting delegate at the National Leadership Conference at Houston, Texas.

Miss Schoen, daughter of Mr. and Mrs. Henry Kunkler and the late Lester Schoen, has held four-year memberships in both G. A. A. and F. H. A. She was the G. A. A. president her senior year. Also a member of the National Honor Society and served as Vice-President.

As an active member of I. O. E., Miss Schoen received both the Award of Distinction and Ambassador Award. She is presently employed in the office of Neal Muhlenkamp, CPA.

Co-Salutatorians Karen Lange and Bev Schoen are being presented to the class and the audience.

The Seniors await their hard-earned diplomas.

Never Falls Behind

As we walk up the center of the gym for the last time, old memories drift back of the first day of school when we first met the people around us, these people that have become so close to us. As we are jolted back to the present, Al Lefeld is beginning the first of the speeches, "School is more than Bricks and Mortar." Jim Fullenkamp is then introduced who speaks a "Thank-You" to everyone

present. The Honor students are then brought up; the climax of the diplomas coming nearer. As one receives their diploma, he or she almost feels sad; this ends one portion of our life; a life of ups and downs, hard work and fun times. As everyone is seated again, they look around at the familiar faces that will begin to fade with the years, but others

and new things will take its place, but High School and the Sunday afternoon of our graduation, will always hold a special place in our memories.

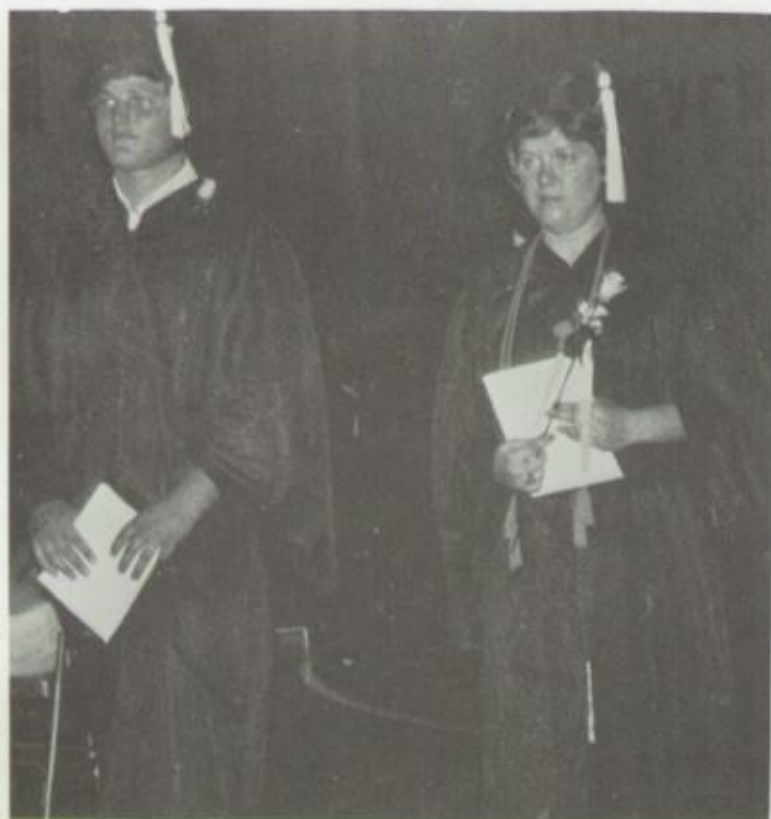

As we walk out of the gym we glance back at our Motto, "He who looks ahead never falls behind" and we turn around and walk out of the front double doors with our eyes to the future.

The Senior class is anticipating the start of the exercises.

Janet Jacobs, Linda Kleinhenz, Ruth Fullenkamp, Mary Lochteteld, and Cathy Niekamp seem to look like they're ready to celebrate their graduation.

Ron Barlage and Kathy Abels lead the procession out of the gym for the final time after the exercises.

Buck Stahl is all smiles as he heads out of the gymnasium, after receiving his diploma.

Brenda Homan, Kathy Abels, Nancy Bruns, Jane Schwieterman, Jayne Lachey and Pat Hoying pose for an after graduation picture.

From the Sciences to F. H. A., activities are a very important part of life at S. H. H. S. These involvements are very important because we learn, as well as get to know people we never seem to get to know, like people in different grades and classmates we never have classes with. We get to know our friends even better and learn things that about them that we never knew. We also learn things about ourselves. We discover what kind of activities interest us and may help us to choose a career.

These "crowds" are also important in the sense that they promote a better attitude in our school in the form of school spirit.

The Varsity Club is a somewhat newly formed club whose aim is to promote spirit, form a unity among all Varsity athletes, and to try and raise money to help finance athletic equipment which is needed badly. This year, the club has been very successful with new programs which brought many compliments from area people. Much work was done to put the programs together such as advertisement photographs, and interesting news articles. At the end of the year a cook-out was held at Ft. Loramie Lake with plenty of food, volleyball, and frisbee.

Library and Guidance Personnel

The library has plenty of information and assistance to offer, and these students look as if they are involved in what it has to offer.

Joe Graham, St. Henry's Guidance Counselor, has a busy job helping out the faculty and the student body. He advises the Seniors about college and their future interests. Mr. Graham also explains to underclassmen what courses you need to take. If he's not doing all that, you can find him in his office working intently on anything else that needs attention.

Mr. Miller, Librarian, knows exactly where to go to help Tom Rindler with his school work. Bob Miller is willing to offer his services to anyone because he cares and understands the students of St. Henry High. Few people realize what it takes to become a librarian. It's not simply something you "pick-up"; it takes years and years of studying and applying for State approval. The library offers the most information and assistance our high school can offer. Yes, the library is the source of our knowledge, and yet few people bother to acknowledge the people who keep it running smoothly.

Mr. Miller discusses the library with Mr. John Sidenbender, the County Superintendent.

Barb Heitkamp takes a break from her studying to display a profile for the Staff photographer.

Well... It's kind of hard to describe.

The cast displays a solemn church scene in the wedding section of the play.

OUR TOWN

"Our Town" is a tragic-comedy by Thornton Wilder. It depicts the most common aspects of living and dying: love, marriage, birth and sorrow. The main character, the stage manager, saunters in and out of the set, chatting with the audience about the characters and the events of one small town in New Hampshire at the turn of the century. We can all recognize ourselves and our town in this play.

REALLY ROSIE

"Really Rosie" was a musical for children starring Rosie Real and her Nutshell Gang; it was a look at a New York neighborhood on a hot summer day with very little happening. Rosie managed to keep life exciting by singing and dancing her fantasies for the kids and audience. The cast included a lion, an alligator, dog and cat.

Mrs. Lynn Bracy and Mrs. Rebecca Kirgan pose with the cast of "Really Rosie." Congratulations on a good job!

Make-up is a back of the scene job that must be done before a costume is complete. Elaine Schwieterman is preparing for her part in the play.

The cast of "Our Town" takes a well deserved bow. The play was a big success. The time and effort put into the play were appreciated.

Yearbook Staff Completes '77 Pow-Wow

The Yearbook Staff this year was made up of some fine very hardworking and dedicated people, whose effort made this yearbook possible. The Yearbook Staff probably is one of the most active clubs in the St. Henry High School, yet it probably receives the lowest amount of recognition.

The editors of this yearbook would like to take this time to thank every member of this Yearbook Staff for their time and effort and for putting up with us! Thanks.

Student Council Has Active Year

The Student Council this year has truly been a very active one. Jane Schwieterman (President), Doug Cahil (Vice President), and Cheryl Brackman (Secretary/Treasurer) led the Council with activities including Homecoming, assemblies, concerts, and a "Mrs. Bertke Day!" A serious decision was made concerning cheerleaders with one squad cheering both basketball and football. The tryouts were also closed this year to the public. At the end of the year a cookout was held for the old and new members for a time to relax and have fun.

The students at St. Henry should commend the Council members for a job well done and also their advisor, Mrs. Bracy.

Each year the Student Council has the task of organizing the Homecoming Parade and Dance. Jacqui Romer, Lucy Post, Cheryl Brackman, and Donna Hoying are involved in deep discussion over the parade procedure for Friday night. Due to these girls the parade was one of the more successful and largest in the seven year history of St. Henry.

One of the many accomplishments of the Council was the change in the ordering of the Sophomore class rings. In previous years, the rings were ordered in the student's Sophomore year, and they received them during their Junior year. Thru the hard work of such Council members as Marv Kremer, and Ron Gelhaus and the advice of Mrs. Lynn Bracy, the rings will be delivered to them in the spring of their Sophomore year.

Marv Bruns stresses his point and explains that the "Shamrocks Against Muscular Dystrophy" cans should be placed in local bars to attract more donations.

Article Two, Section One American Government Is Fun!

For their government project, Elaine Siefring and Cathy Homan invited Paul Jansan, a representative of Tennyson Guyer to explain to the Senior class the duties Mr. Guyer undertakes as U.S. Senator. He was well received by the Senior class as he was very interesting and informative.

Government is a required course that the seniors must take. The class includes studies as the county, state, and national government. Also local situations are discussed as well as local meetings and things dealing with the school.

An interesting talk is being given to the government class. Speakers were a major portion of the learning experience in class. Many students undertook the responsibility of asking these people to come in for projects.

These are on the SHHS most wanted list: they were last seen speaking in an unidentified government class giving a very informative talk; they are considered unarmed and not dangerous.

Ann Hartke, our representative for Rossburg A-Go-Go, is shown with her publicity helpers Brenda Homan, and Jim Fullenkamp.

Ann...Columbus...

Ann Hartke was chosen by the Senior Class to represent the seniors at the Rossburg A-Go-Go contest in May.

Ann chose Jim Fullenkamp as her Campaign Manager. Jim's job was mostly to campaign for Ann, hang signs, and help her to win that CAR!!!

The Senior class gathers on the steps of the Capital in Columbus. The Seniors went to the House of Representatives.

Yes, I had my Wheaties today. No, I'm not trying to lose weight for the Miss America Pageant.

Other Anatomy students try out the weight machine and study the muscles at the same time.

The Math-Science Club has many activities including experiments.

The hard working Physics students take a breather between periods.

Hardwork + Fun = Success

A group of the Physics class takes time out to play "cool" for our roving photographer.

Analytics would be considered one of the more difficult and trying classes offered at SHHS. Jerry Kremer, Kathy Abels, and Ruth Fullenkamp struggle with another problem.

On the Sophomore level Geometry is offered as the Math course. The class deals with things as proofs, trigonometry, and triangles.

Advanced Algebra is another hair-jerker class. Dave Kanney seems to be in awe as Mr. Provcí explains a proof.

Calculating angles can be fun!! Mike Post and Gary Will demonstrate to the class how they can construct a triangle.

Architecture work and drafting are also taught in the Industrial Arts program. Dan measures and graphs a drawing of landscape.

Tim pays little attention to the photographer and much attention to his project. Tim uses clamps to glue parts of his project.

Accurate measurements are very important here. Buck is just finishing the drawers of his new desk.

Band Honored at First Banquet

The Spring Band Concert featured Symphonic music. Pictured is Deb Hemmelgarn performing a piano solo with the band accompanying her.

Senior Jim Fullenkamp assists the band by commenting at all of the band's concerts this year.

One of the concert band's greatest achievements of the season was being awarded a Superior (1) rating at State Band Contest. The first such honor in 18 years. The trophies pictured are a participation trophy from Minster Oktoberfest, a third place trophy from the Marion Band Invitational and a second place trophy from the Darke County Marching Band Contest, the highlight of the marching band season.

Jerry Kremer, the band's president, expresses the appreciation of the Seniors and the entire band for Mr. Jacob's hard work and many hours he put into this year.

Pictured are a major portion of the senior band members receiving their tokens of appreciation from the band. Later in the evening the coveted John Philip Sousa award was given to two outstanding Senior Band members, Mike Rindlerle and Kathy Abels. This award is given annually and voted on by the entire band.

The '76 Homecoming parade was one of several events the St. Henry Marching Band participated in. They are shown here working hard and looking good for this festive occasion.

Entertaining the crowds during half time of the football game is one major responsibility of the '76 Marching Band. The band is shown in concert formation while performing a crowd favorite, "Little Brown Jug."

Each summer the band spends working up to ten hours for one long week preparing for the upcoming marching season. Pat Hoying is shown in the intense concentration it takes to make 79 individual band members appear as one precise marching unit.

Winning High School Band

First year Band Director Mr. Tom Jacobs is shown surrounded by jubilant band members upon being awarded 2nd place at the always competitive Darke County Fair.

A small portion of the Sophomore Band members express in their own way that all the long hours and hard work were worth the end result.

Brenda Langenkamp displays a side smile and confident stance as she concentrates on the special Homecoming routine.

Few people realize that there's one class offered at St. Henry that runs year around. The St. Henry Band. You've probably heard the phrase hard work and determination before, but you're going to hear it again, and again because that's what makes the Band what it is. This year it has definitely been more work and something new for all of us; a taste of victory. Something that seemed like a far away dream had come true. I doubt if few Band members will ever forget that night at the Darke County Fair when the Band proved to a standing room only filled grandstand that the St. Henry Band made its debut. In one year the band has made a new name for itself and given performances for the citizens of St. Henry to be proud of.

One thing's for sure, the people of St. Henry and surrounding areas have just had a sneak preview of what's yet to come. Yes, heads are turning, and people are talking of the award winning St. Henry Band.

The majorettes are featured during a concert interrupting the music in their own way. Many hours are spent by these five individuals creating and perfecting routines throughout the marching season.

Many people attending a sporting event tend to take for granted that the abilities being displayed are all natural talents. Though many athletes may seem to move with the grace and speed of a finely tuned machine, there are many things that must be taken into consideration. One must be the hours of time consuming work an athlete puts himself through. A spectator must also consider the mind-boggling concentration required.

Motivation of players by coaches is probably the most difficult task they can undertake. This group of dedicated coaches show their young players the quality and respect that is not only required but demanded by a coach! These qualities are things that go into making athletes the individuals they are.

Golf Swings

Mike Droesch, Mark Miller, Mark Stammen, Coach Niekamp, Doug Cahill, Tom Davis, Jim Niekamp, and Doug Wehrkamp.

St. Henry's young golf team finished off a fine 1976 season with a 19-5 record. Doug Cahill and Mark Stammen, the No. 1 and No. 2 men on the team, led the linksmen to a first place finish in the Minster Invitational and a runaway victory in the sectional meet at Lima. Mark Miller, Doug Wehrkamp, and Tom Davis were all the spark plugs of the team at one time or another, and their efforts resulted in key wins over Greenville and state tournament participant Sidney Lehman.

Concentration is one of many fine points that made Mark Stammen St. Henry's Most Improved Golfer.

Rookie Coach Jim Niekamp guided his young golfing standouts to a fine season.

a 19-5 Record

Doug Cahill, Mercer County's top golfer proved to be one of the most competitive golfers this year, with a form that appears to be matched by none.

Following are the individual averages of the five varsity golfers:

	Strokes per nine holes
Doug Cahill	39.08
Mark Stammen	44.00
Mark Miller	44.16
Doug Wehrkamp	45.33
Tom Davis	45.58

Mark Stammen shows the form of a talented golfer in a golf meet against an area competitor.

Tommy Davis, one of the un-sung heroes of the golf team, proved to be a clutch player at such meets as the "Minster Clam Bake" and the Sectional Tournaments.

Several qualities needed to excel as a golf player are determination, concentration, and much patience. Doug Wehrkamp shows all of these as he participates in a golf meet with Celina.

to a Fine Season

Senior Tim Lefeld picks up his first year award. Tim added a lot of depth to the young Cross-Country team.

It was the determination of runners like Bill Gelhaus, Bob Post and Rick Bueter that led this St. Henry team to its most successful year ever.

The strain of the long 2 mile run is clearly shown here on the faces of Super Sophomore Ron Gelhaus and Mark Rinderle.

Picking up his second year award is Sophomore Ron Gelhaus. With runners like Ron, St. Henry proves to be a challenge in the future to the more well established Cross-Country programs.

Rick Bueter, one of St. Henry's graduating seniors, picks up his 1st year varsity award. Rick helped provide a lot of leadership to young Redskin trotters.

The team came out of the sectionals beating Spencerville and Crestview. They ended up the runners up at District where they received a nice trophy, which is the first trophy any girls' team has brought to St. Henry High. Congratulations on the great job, and good luck to next year's teams. The Co-Captains for the Varsity team were Jane Schwieterman and Linda Kleinhenz. The J. V.'s were Lisa Stahl and Jacqui Romer. Jane Schwieterman was leading server for the Varsity, and Paula Frilling was for the J. V.'s. Jane Schwieterman and Shorty Bertke were voted also to the M. A. C. team. Jane Schwieterman was voted Most Valuable Player by the Varsity team, and Mary Lochtefeld was voted Most Improved Player.

Are for Real

1976 proved to be a year of growing up for St. Henry Football Coach Gordon Shivley and his talented crew proceeded to put together the best record in St. Henry football history. Defeating Conference

powers Parkway, Marion and Minster had to be the highlights of the season. Putting together a 9-1 record, with the tough schedule the Redskins had, has proved to be quite an accomplishment. Playing with pride and a feeling of togetherness, the Redskins showed themselves to be a real unit on and off the field. These young men can feel great pride in their accomplishment. They have proven to many that they can play football with anyone in the area.

Banquet Caps Fine 1976 Season

The 1976 Football Banquet was full of the emotions that were present during the season. For the Seniors it was probably the last time they would be together as a team. The evening began with the presentation of the Junior Varsity and Varsity awards. Receiving his fourth year award plaque was big All-Stater Don Puthoff. The climax of the night being the special awards presentation by the coaches. Coach Pfeffenberger started things off by presenting the MAC awards to Don Puthoff, Greg Puthoff, Jim Fullenkamp, and Ken (Juice) Post. This was followed by Coach Hoying, who gave out the "Most Improved" award. This year's recipient was second team All-MAC'er Ron Rutschilling. One of the

most prized awards given out at the banquet each year is the "Kent Rehm Award." The award was presented by Coach Summers to Tri-Captain Jerry Kremer, who truly played in the spirit of sportsmanship. Then came the Biggy! Coach Shively addressed the crowd speaking highly of the receiver of the "Most Valuable Player" award. This year's big winner was Senior Tri-Captain Don Puthoff. Buck Rosenbeck, editor of the "Sports Review," made Head Coach Gordon Shively his pick for "Coach of the Year" award, this being its first year in existence.

Senior Tri-Captain Jim Fullenkamp finished out the evening by speaking on behalf of all the players.

Senior Don Puthoff receiving his fourth year varsity award from Coach Shively.

This year's recipient of the coveted "Kent Rehm" award was Senior Tri-Captain Jerry Kremer.

Coach Gordon Shively receives the Sports Review "Coach of the Year" award from Editor Buck Rosenbeck.

Sophomore Gary Will receives his second year Varsity award from Coach Summers. Gary did a stand-out job in filling the big shoes of injured Junior quarterback Jeff Bruns.

Senior placekicker Jim Fullenkamp receives his third year Varsity award from Coach Shively.

Receiving his second year Varsity award is stand-out tight end Buck Stahl.

Shown here is the pride of St. Henry's 1976 Football Squad. Ron Rutschilling, Most Improved, proved to be more than a match for any opposing tackle in the league. Senior Jerry Kremer, Kent Rehm, provided an amazing amount of leadership on and off the field. Don Puthoff, Most Valuable Player, became St. Henry's first All Stater when he was chosen first team All State at the guard position. Coach Gordon Shively was more than a coach to many of the players. It was he and his assistants who inspired and motivated this successful 1976 squad.

Redskins Keep

With only three Seniors graduating this year, next year's prospects look bright. But as the old saying goes, "Quality does not always come in numbers." Mark Stammen, Don Puthoff and Buck Stahl did an extremely fine job in providing the leadership needed for the young Redskin crew.

SENIOR CO-CAPTAINS: Buck Stahl and Don Puthoff.

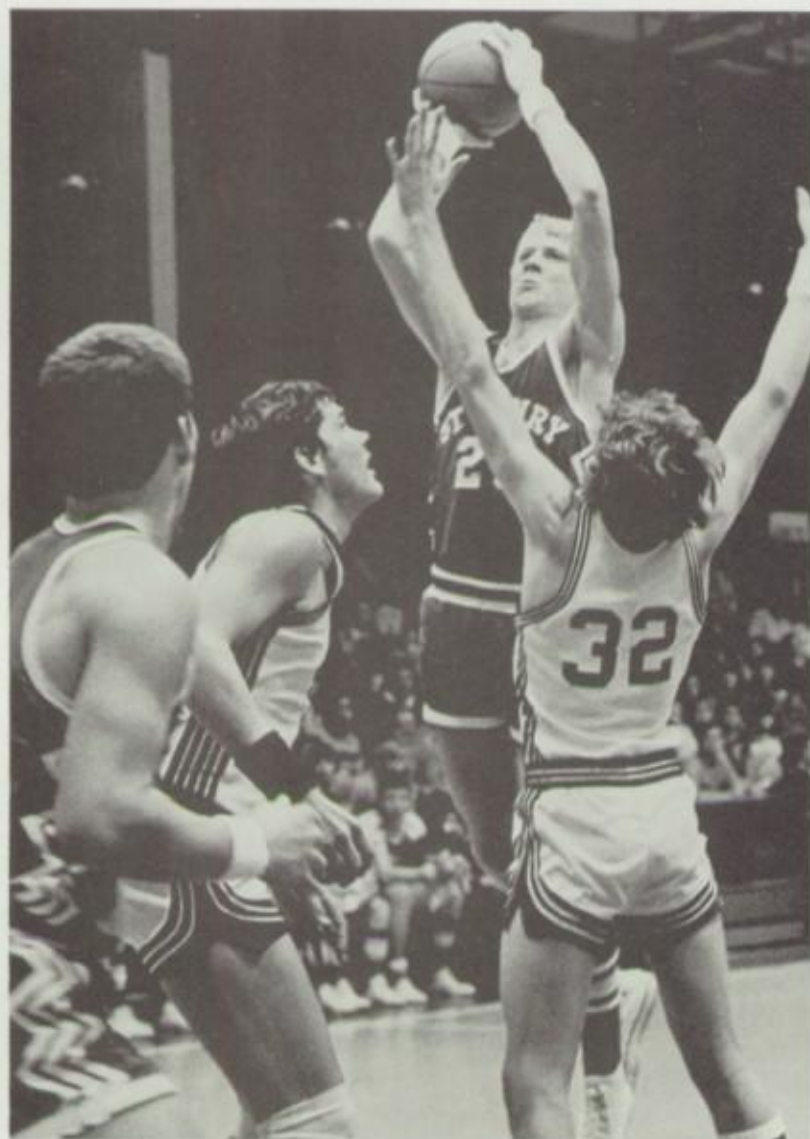

All-League pick Mark Stammen puts a move on number 21, Garmen of Marion as he takes the ball down the lane and to the hoop.

Kneeling: Doug Wehrkamp (Manager), Doug Cahill, Craig Guilbault, Mark Stammen, Tom Davis, and Mark Lefeld (Manager). Standing: Coach Guilbault, Dave Kanney, Mike Post, Buck Stahl, Don Puthoff, Randy Bills, Tim Niekamp, Gary Will, Ken Post, and Rick Bueter (Stats).

Rolling Along

Sophomore sensation Mike Post makes it look so easy as he leaps over Ft. Recovery's Randy Wilson and Mike Wuebker and pots two in the big tourney game.

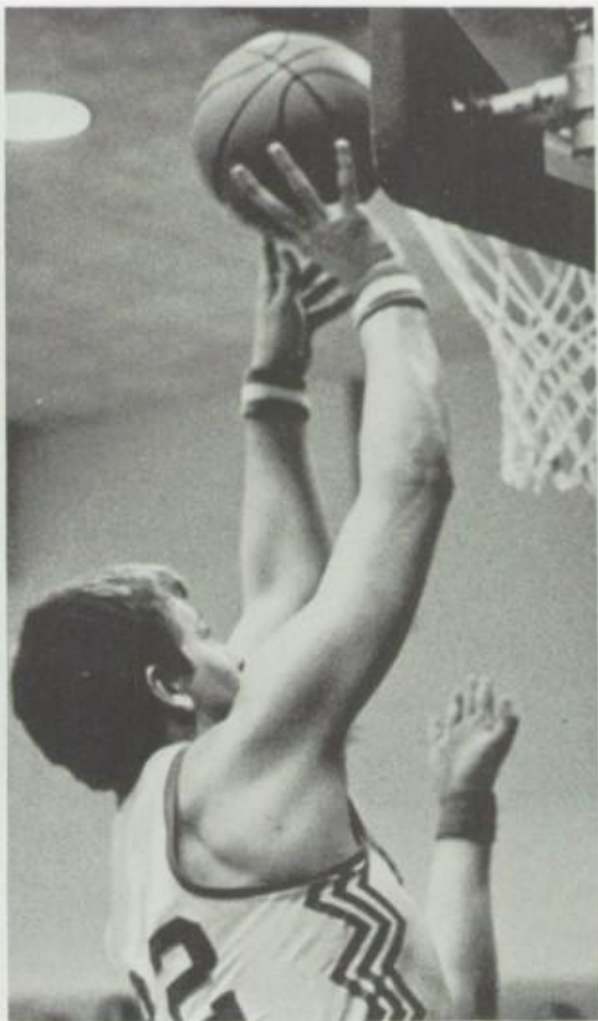

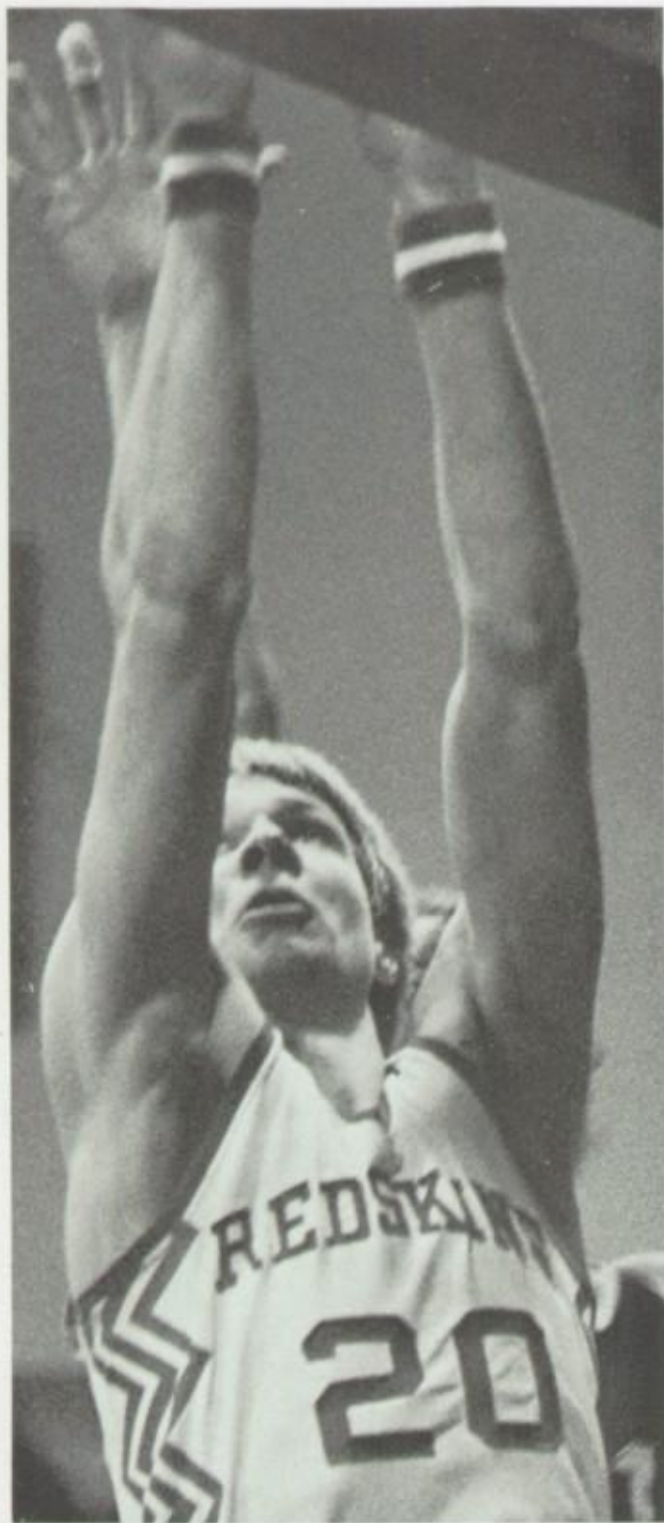

The three Seniors did an outstanding job offensively as they all finished the season in double digits. Defensively, while Mark Stammen was busy harassing the opposing guards, big Don Puthoff and Buck Stahl were clearing the boards.

REDSKINS' BASKETBALL 1976-77

This season opened with many question marks with only two experienced players returning from the 17-2 team of 1975-1976. Things looked even darker as we lost our first two games. They were then followed by a big upset over a highly favored New Bremen team. We then split our next six games, losing the three by a total of five points. The low point was consecutive two point losses to New Bremen and Mendon on the same weekend.

At that point, the Seniors really took over the team leadership. We put together an impressive seven win streak by playing some of the finest ball ever seen in St. Henry. We averaged almost 90 points a game while holding opponents to around 66 during that skein. We beat some of our biggest rivals in New Knoxville, Coldwater, Minster, Ft. Recovery, and Franklin-Monroe during that stretch.

After a closing loss to Marion, we opened tournament play only to lose a very tough game to Ft. Recovery in overtime. It proved to be a very satisfying year as we were able to bounce back from diversity so many times.

A special thanks must go to our fine student body for their tremendous support.

The Varsity Baseball did a great job this year by making it to the Regional Finals, where they were beat out by Versailles who then advanced to the State Tournament. Five seniors took over the leadership of the team this year: Mark Stammen, Jerry Kremer, (Co-Captains); Buck Stahl, Marv Bruns, and Don Puthoff. The Seniors will be missed greatly not only for their athletic ability but also for their constant determination and good attitude. The MAC All-Star Game was held on May 29th with Mark Stammen, Ken Post, Don Puthoff, Tim Niekamp and Larry Langenkamp representing St. Henry. Nancy Bruns was chosen as the team's No. 1 fan and was escorted by Don Puthoff at the pre-game festivities. Coach Denny Pfeffenberger awarded the awards at the banquet on May 19th with the Defensive award going to Mark Stammen. The Offensive award went to Ken Post for his outstanding performance at the plate. The Most Valuable Player award was also awarded to Ken (Juice) Post for his all-around great performance on the Varsity Baseball for 1977.

A few members of the team welcome home Juice after scoring another run for the Redskins in tournament action.

Distance runner, Kevin Schmitz, has a fine start as he begins the mile run.

Junior Doug Cahill shows intense concentration and desire as he is first out of the starting blocks in the 100 yard dash.

Track statisticians Kathy Bruns, Cindy Bruns, Jayne Lachey, and Pat Hoying provided much help and encouragement to the team this year by keeping times and other data.

to a Fine Season

The 1977 track team finished the year in style for the successful St. Henry Varsity teams. They compiled a winning season and also set many new records. The team proved itself to be a competitor with all area teams by placing fourth in the challenging Minster Invitational. They also accomplished the ultimate goal of qualifying a competitor in the State Track

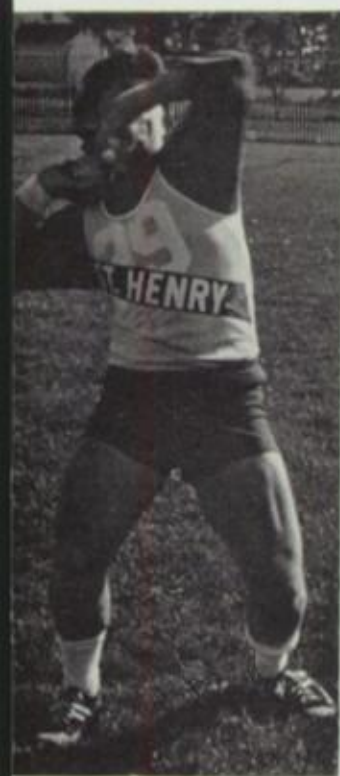

meet for the second year in a row. Much of the success of the team was because of the patience and determination of coaches Hoyng and Bertoline and the leadership of co-captains Ron Dorsten and Doug Cahill.

All the athletes were honored at the Spring Banquet and the Awards Program on May 26. Junior Dave Kanney was given his much deserved award of Best Field Events competitor for his achievements in the Shot Put, Discus, and the Long Jump. Dave also represented the St. Henry Track Team by qualifying for the State Track Meet in which he placed seventh.

The talented Sophomore, Dave Huwer, was awarded Best Runner for his abilities in the high hurdles, low hurdles, and his leg in the 880 yard relay. He was also proven to be the most respected, and talented by being chosen the Most Valuable Player by his teammates. The talent of the underclassman should provide the upcoming track teams much success.

Shown is Senior Ron Dorsten participating in one of his four events. He is attempting to clear the high jump bar at a county meet.

Sophomore Jim Niekamp shows fine form as he leads the pack of low hurdlers.

The Seniors provided much leadership to the '77 track squad. The senior tracksters are Rick Bueter, Ron Dorsten, Jim Fullenkamp, Kevin Bible, Bob Post, and Al Lefeld. They will be missed very much by next year's squad.

Relay Teams Sprint to State Competition

The SHHS girls' track program was very competitive again this year. The team competed in numerous meets and invitationals. One pleasing defeat being AAA Celina. The team consisted of six seniors-Sandy Gerlach, Lois Hart, Janet Jacobs, Mary Lochtefeld, Linda Moeder, Jane Schwieterman who contributed much to the whole team. Co-captains were Lois Hart and Jane Schwieterman. Three relays, 880 medley, 880, and mile qualified for District, and the latter two qualifying

for State. The girls didn't finish in the top six places but this was

the first time St. Henry has sent any girl to State competition. This, in itself, was quite an accomplishment.

Coach Dudgeon handed out awards at the Spring Track Banquet. To receive a Varsity letter the girls had to earn at least 10 points. Jane Schwieterman was highest in earned points with 83. Jane was awarded Most Valuable in Field Events and Most Valuable Player. Shorty Bertke was awarded with a plaque for Most Valuable Runner.

Janet Jacobs uses the endurance she has developed during her first year of track and sprints the last 80 yards of her 880 yard run at the Minster Invitational.

The 440 yard relay extended their seasonal practice by qualifying for the State meet which was held at the Ohio State Stadium in Columbus. They are Judy Bruggeman, Brenda Langenkamp, Cheryl Brackman, Lori Langenkamp, and Coach DeDe Dudgeon.

Mile Relayer Karen Bergman uses all the strength she has as she hands off the baton to Jane Schwieterman at the Minster Invitational. The relay placed third behind Minster, and Coldwater.

Shorty Bertke is closing in on Coldwater runner Nancy Vagedes, but it wasn't quite enough as the Mile Relay finished third in the Minster Invitational.

The 1977 Girls' Track Coach was Miss De De Dudgeon. She did a terrific job coaching the girls this year and last year.

The Mile Relay consisted of Shorty Bertke, Jane Schwieterman, Karin Lachey, Karen Bergman, and Coach DeDe Dudgeon. The girls and their Coach were very excited about qualifying and slightly scared as they performed in front of hundreds of fans.

Co-Captain Lois Hart receives her third year Varsity letter from Miss Dudgeon.

Entering High School is the dream of every student in the Junior High School. As they start taking part in activities such as G. A. A., Band, and Sports, they prepare for the academic challenges ahead.

Not so far in the future these members of the "Small World" will be looking at these times with fond memories.

Avco New Idea Where the whole idea means better performance.

To keep pace with ever-increasing world agriculture demands, there is one overriding need . . . the development of farm equipment offering better performance, allowing greater productivity per acre for the farmer.

At Avco New Idea, our *whole idea* is just exactly that: To manufacture farm equipment that performs better, so farmers can perform more efficiently.

Many of our employees come to us with first-hand farm experience — many, in fact, *are* farmers — so our products reflect the better performance we know is essential for profitable farming. This dedication to performance extends to our service people, our parts people, our sales people — all of us here at Avco New Idea.

And our expert dealer organization assures that farmers get the greatest value from their farm machinery dollars.
